HAMMERSTEIN WINS NOBILITY

By STELLA HAMMERSTEIN.
LONDON, Nov. 18.—I promised to write this article for the AMERICAN, telling all about what prominent American women were present to hear "William Tell" and what they wore, but really the English people bought up all the boxes and there were not any left for Americans. I suppose it was the English people's idea.

Mrs. Edward Sassoon managed to get in. She wore a superb gown of purple crepe and cloak of mauve velvet, richly trimmed with Russian sable. In her hair was a diamond aigrette and she wore a collar of the same stones. Lady Allington had a party of guests in a first tier box. She wore a gown of white chiffon over silver tissue with a pearl dilet in her

sigarettes and chain. Mrs Leopold Roths-
child was in the royal box. Alfred and
Isabel Rothschild were present, with Sir
Carl Meyer. The Marchioness of Douve
wearing diamonds, with a clear black dress

was with Lady Farquhar in a box in the grand tier. Nearby were Harpers Goldsmith, Sir George and Lady Arthur, Captain Henry Denison and Mrs. Nelke, with Lord Westbury. The Marquise del Marite and Mme. Errazuriz Delmarite and Mrs. Errazuriz were accompanied by Mrs. Baugrant.

Most of the women wore high-necked

But wasn't Harold a great hit? All those lovely old Englishmen were there talking about the good old times, but it

Orville, Harrold's success as Arnold in "William Tell," furnishes the sensation of Oscar Hammerstein's invasion of London. Owing to the impossibility of finding a tenor who could sing the chief role, it has been many years since Rossini's great opera has been presented. Harrold, who is a Whiston and former member of a quartet in burlesque, sang it however, and what is more, sang it in the same key in which it was written. The audience went wild with enthusiasm over Harrold's marvelous high C, even to the point where, without the slightest symptom of effort,

of Oscar Bernstein's invasion of Boston. Bernstein, a Jewish immigrant, was a tenor who could sing the chief roles of the operas. He had been singing in great opera houses for years. His first great part was attempted, Harvard men say in an Oxford and formerly was a member of the Harvard Glee Club. However, and what is more, sang it in the presence of a large audience. The audience went wild with enthusiasm over his performance. Bernstein was a Jew, which he took without the slightest suspicion of effort.

BANKERS PLAN FOR LONG TRIP

ATLANTA, Nov. 15.—The bank of the Massachusetts, Bankers of the United States, and the Bank of the City of New York, have agreed to a plan for a long trip to the West. The party will leave for the West in the early part of the month and will be absent for several months. The plan is a very important one, as it will enable the banks to keep in touch with the business conditions in the West and to take prompt action when necessary.

The Knock-out Blow

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but to the stomach we are utterly indifferent, until disease finds the solar plexus and knocks us out.

Make your stomach sound and strong by the use of Doctor Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures weak stomach, indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. By the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol—pure, triple-refined glycerine being used instead.

It is foolish and often dangerous to experiment with new or but slightly tested medicines—sometimes urged upon the afflicted as "just as good" or better than "Golden Medical Discovery." The dishonest dealer sometimes insists that he knows what the proffered substitute is made of, but you don't and it is decidedly for your interest that you should know what you are taking into your stomach and system expecting it to act as a curative. To him it is only a difference of profit. Therefore, insist on having Dr. Pierce's "Golden Medical Discovery." If not promptly supplied take elsewhere.

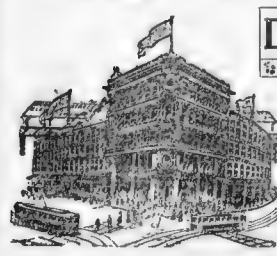

Send 31 one-cent stamps to pay cost of mailing only on a free copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages, cloth-bound, on a free copy of Dr. Pierce's Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

XANTIPPE NOTES LEAD TO SUIT

NEW YORK, Nov. 15.—Mrs. John A. New York, wife of Edward H. Van Hook, has filed a bill in the Supreme Court to have her husband declared insane. The bill is based on the fact that her husband has been suffering from insanity for several years. She claims that he is unable to take care of himself and that he is a danger to himself and others. The court will hear the case on Monday. Mrs. New York is a well-known socialite and has been married to her husband for many years. They have several children. The husband has been in and out of the hospital several times. The bill is a very serious one and will likely result in a long trial.

Here's a Splendid Overcoat

—from the House of Kuppenheimer—the "Kossack" they call it—a style personally created by their head designer, who is probably the highest paid man in that line of work.
